

SMOKY VALLEY Education Foundation

A Pathway for Excellence

The Smoky Valley Education Foundation is kicking off the
"Brick Walkway Campaign."

A donor recognition pathway will be exhibited at the entrance of Smoky Valley High School. You can be a part of the "Pathway for Excellence" vision by placing your name or an engraving of your choice on a donor brick for a minimum donation of **\$125**. What better way of providing a lasting recognition of your support! A gift to the Smoky Valley Public Schools Education Foundation is one of the most rewarding gifts you can make. This is a *great* gift for alumni, memorials, special team recognition, or a graduating senior (**see BACK for order form**)! Your donation will support the following goals of the Foundation:

- Enrichment activities and programs
- Student and staff recognition
- Technology advancement
- Facilities development
- Student emergency aid
- Build community awareness for the Smoky Valley Public Schools Education Foundation
- Inspire parents and community to participate with the school district in enriching education.
